YOUR COAT CAN HELP BUILD HOMES
Gresham ReStore only

Did you know last year's coat can actually help build homes? When you donate gently worn clothing, shoes and toys to the Gresham ReStore we will sell them to help build more Habitat for Humanity homes right here. Clothing, shoes, purses, backpacks and other accessories, as well as baby clothes in good condition are accepted only at our Gresham ReStore, 610 NE 181st Avenue, open 10am to 6pm every day, Sunday, too!

2 BIG EVENTS COMING IN JUNE!
- Next month we’ll be celebrating the Gresham ReStore’s one-year anniversary by inviting animal advocates out for some one-on-one info, education and fun on Saturday, June 9. Mark your calendar now!
- The Timbers are trading headers for hammers at the Gresham ReStore during "Stand Together Week." ReStore shoppers will experience a different kind of spectator sport Thursday, June 14. Watch for details at pdxrestore.org

RESTORE HONORED
2018 Ethics in Business

On May 23, the ReStore will be recognized at the 2018 Oregon Ethics in
Business Awards hosted by the Rotary Club of Portland. The event honors "organizations and individuals who have demonstrated ethical business practice in its broadest interpretation: in the workplace, the marketplace, the environment, and the community. The recipients of these awards will have, by act and example, gone beyond the expected to achieve excellence in ethical business practices."

DIY CORNER

From bed to Goth bench

We love how this furniture makeover turned out! It's the work of ReStore volunteer Georgia Clark, and it's on display at the Clark County Habitat for Humanity Store in Vancouver. Georgia swaps project ideas every few weeks, but not to worry, we'll place a photo of the item in the DIY notebook for periodic perusing and inspiration. In its former life this bench was a twin bed, but just look at it now! If you've got a DIY project you want to share with us and our customers, please send a photo and brief description to mcerna@pdxrestore.org.

SUNDAY, MAY 6

Now that we’re open Sundays, we are booking in workshops like the one 10am to 2pm Sunday, May 6, at the Clark County Habitat Store. At this workshop, DIYers will repurpose glass light shades to create colorful planters. Over at the Clark County Store Pam Israel demonstrated her creative versatility in a recent interview with Clark County Talk. Read it HERE. (Photo Credit: Clark County Talk)
