Welcome New Joint Members!
LegalShield has been offering legal plans to individuals, families and small business owners for over 45 years, creating a world where everyone can access legal protection—and everyone can afford it. Unexpected legal questions arise every day and with LegalShield, your employees will have access to a quality law firm for covered personal situations. From real estate to speeding tickets to Will preparation, and beyond, we’re here to help your employees with any personal legal matter—no matter how traumatic or how trivial it may seem. For small businesses we provide legal consultation, contract review, debt collection and more to provide proactive affordable access to you and your business partner.

IDShield is the only identity theft protection company armed with a team of licensed private investigators on call to restore your employee’s identity. Members have unlimited access to an IDShield licensed private investigator regarding how they can protect yourself or review anything on their account. If your name is on it, we’re monitoring it. Your Social Security number, driver’s license, passport, credit cards, bank accounts, social media and more – we leave nothing about protecting your identity to chance. In the event of a compromise, your personal IDShield licensed private investigator will work to uncover evidence, restore your identity, and clear your record back to its pre-
If you become a victim of identity theft, we do whatever it takes for as long as it takes to restore your identity. In addition, we offer up to $1M to reimbursement of losses for covered issues.

These comprehensive benefits give you and your employees peace of mind. Both services are available, nationwide, 24/7 for emergency situations, and are provided at a discounted rate to the association.
