

Dear family member,

Just a brief note today to wish you a happy and healthy Passover or Easter. For those of you who celebrate Passover, I wanted to let you know what we are doing at both the Jewish Home at Rockleigh and Jewish Home Assisted Living. Every elder (who wants one) will be provided an individual Seder plate complete with the ceremonial foods, along with their dinner service tomorrow. We have purchased plastic Seder plates so that we can make this feel as much like the holiday as possible.

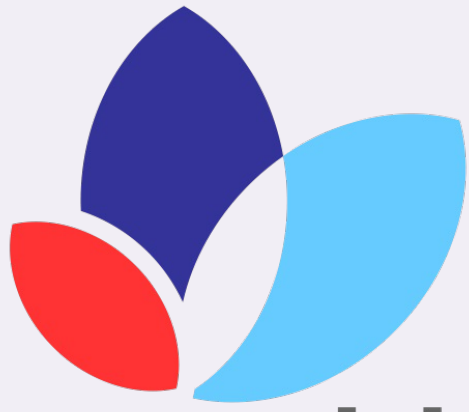

At 4:30 p.m., on both campuses, we will be broadcasting a Seder that was provided to us by our friends at Temple Emanuel in Closter. We thought that you might like to watch along with your loved ones. In fact, if you speak with your loved one on the phone, perhaps you could be connected by phone during the Seder. Here is the link if you would like to join us:

We know this is not the way any of us have experienced Passover and it is not at all what we would like to do. But these are unusual times and we are trying to make the best of it.

We pray that this holiday season will bring with it healing and hope. We pray for brighter days ahead for all of us and all the world.

Be well,
