Happy Memorial Day!

All of us at Marc t. Nielsen Interiors hope that you and your family are doing well during this time. Such a strange time! We have now gotten used to our weekly Zoom meetings! Now that Indiana is starting to reopen, we have resumed normal business hours. In order to keep our employees and clients safe, we are only available by appointment only. Normal business hours are Monday through Thursday 9:00 - 4:30 p.m., but as always, we are available other times by appointment when needed.

The Antique Shop and Gallery is also open by appointment only. Please feel free to call (219-462-9812) or email (mtn@marctnielseninteriors.com) to schedule an appointment.

We hope you have a great Memorial Day with your family!
